Dear Bill,

It was great to see you at the National Academy of Achievement banquet last Saturday. I thoroughly enjoyed that two and one-half days. All of us who were there, and the country as a whole, should be grateful to all of you who support that fine activity.

As promised, I am enclosing a copy of last year's study of the prospects for the Soviet economy. I hope it may be helpful. We may have a new version off the press in a month or two, and if so I will pass it along also.

Warmest regards.

Yours,
